Minutes signed virtually.

Reports

President: no report

Treasurer: As of the last regular meeting in June, the balance was \$7,370.53. Our current balance is \$8,095.46. We are continuing to work on completing the trustee paperwork. Tax documents submitted to Darryl Hoag CPA.

Grounds and Maintenance: Cleanup scheduled for March 19th.

New Business

Reunion: Reunion rescheduled for July 23rd, and we have the hall from 7:00am to 10:00pm. We will provide hamburgers and hot dogs. Since the price of meat has gone up we will decide closer to the date what we will charge per attendee.

Concrete Repair: Jeff will contact concrete repair companies in/near Burton for estimates.

Animal Barrier material for bottom of fence: We have not been seeing armadillos lately but will continue to monitor the situation. This agenda item was tabled until the next meeting.

Old business

Historical marker: The application was approved by the Washington County Historical Commission and has been submitted to the Texas Historical Commission.

Design of cemetery grounds: The archway will be moved away from the entrance at our cleanup day on March 19th. We are continuing to explore options for resetting it. The finial fell off of Johan Dittrich's headstone. Lowell Herzog was notified, and he plans to repair it. As his present schedule is very busy, he was unable to give a date of when he can repair this.

Jaeger directory: This has been made available to family members upon request. JWHCA board members have been added as editors to the google document.

Shed: Due to current steel and wood prices, this item was tabled until the next meeting.

Exterior fence repairs: The repairs have been completed.

Action List:

Research estimates for concrete repair (Jeff)
Move archway at next cleanup day.

Next meeting is scheduled for June 18 2022.

Motion made, seconded, and passed to adjourn at 9:01am
